

Vote YES on Measure B

Specific Benefits from Measure B — Sunnyvale

Uncommon allies united for a common goal: Relieve Traffic; Repair our Roads. That's why the League of Women Voters, Sunnyvale Chamber of Commerce, League of Conservation Voters, former U.S. Transportation Secretary Norman Mineta and Senator Dianne Feinstein are championing Measure B to provide vital local funding to fill potholes, maintain roads and reduce traffic throughout Santa Clara County.

We are fortunate to enjoy a special quality of life here. Unfortunately, many of Santa Clara County's roads are in dire need of repair and we're spending too much time trapped in traffic. We need meaningful countywide congestion relief.

Local Road Maintenance Funds

- ▶ Each city will receive funds annually, based on population and road miles, over the 30 year span of the measure. For Sunnyvale that amount is more than \$80 million.

Expressway Congestion Relief

- ▶ Grade separations on Lawrence Expressway from Reed/Monroe to Arques

Highway Interchange Improvements

- ▶ SR 237/US 101/Mathilda Ave. area improvements in Sunnyvale to address local roadway congestion
- ▶ SR 85/SR 237 area improvements to address mainline congestion and regional connectivity through the SR 85/SR 237 connector, SR 85/El Camino Real interchange, and the SR 237/El Camino/Grant Road interchange
- ▶ SR 85/I-280 area improvements in Cupertino, Los Altos and Sunnyvale to address regional connectivity through a northbound I-280 braided ramp between SR 85 and Foothill Boulevard

Caltrain Improvements

- ▶ Grade separations to improve safety at crossings and improve traffic flow at interchanges
- ▶ Longer platforms (Downtown Sunnyvale), longer trains and level boarding

Countywide Improvements

- ▶ Mass transit operations, targeting low income, seniors, students and people with disabilities
- ▶ Additional bicycle pedestrian improvements, especially near schools
